August 20, 2014— Capital Title of Texas now joins an exclusive group of companies that have been named repeat winners of the *Inc. 5000* list of private companies with the fastest growth in America. "For 33 years, Inc. has welcomed the fastest-growing private companies in America into a very exclusive club," stated Eric Schurenberg, Editor in Chief of Inc. magazine. "The average company on the list grew a mind-boggling 516 percent. Those are results most businesses could only dream of."

Capital Title of Texas is the largest independently owned title company in Texas. Its title plants are licensed in 26 counties, covering 80% of the state's population. "I am proud of the entire Capital Title family, and am truly excited to share with them the honor to be ranked among the Inc. 5000 for the second year in a row," said Shaddock. "This recognition further communicates Capital Title's commitment to deliver excellent service to each customer – because each customer is treated like family."
