## Texas Academic Performance Reports (TAPR)

Texas Academic Performance Reports (TAPR) pull together a wide range of information on the performance of students in each school and district in Texas every year. Performance is shown disaggregated by student groups, including ethnicity and socioeconomic status. The reports also provide extensive information on school and district staff, programs, and student demographics.

The data included in this guide was released on December 12, 2024 and is the most recent available.
